[\(+30\) 6975615329](tel:+306975615329) 

### SUMMARY

Inquisitive and adaptable professional with strong expertise in JavaScript and TypeScript, specializing in frontend development using React and modern CSS tools like Tailwind and SASS. My proficiency also extends to backend development using Java with the Spring framework. Following Agile methodologies, I ensure efficient project delivery. With a background in successfully development of web applications.

### PROFESSIONAL EXPERIENCE:

#### **PLANET S.A.** | Athens, GR

*Full Stack Software Engineer* | April, 2024 - Present

- End-to-end development of public sector projects using React.js (NX monorepo, Keycloak, Redux), Spring, PostgreSQL, and Oracle databases.
- Containerization with Docker, CI/CD via Jenkins, and artifact management in Nexus.

#### **DOTSOFT S.A.** | Thessaloniki, GR

*Frontend Developer* | January 2023 - April 2024

- Contributed to dynamic web applications using React with TypeScript in a collaborative team environment.
- Translated mockups and design specifications into functional and visually appealing UIs.
- Built interactive components with Leaflet and Three.js to enhance user engagement.

#### **Capital Media Ventures** | Thessaloniki, GR

*Frontend Developer* | April 2021 - January 2023

- Managed e-commerce and other websites using WordPress CMS.
- Customized HTML, CSS, PHP, jQuery, and SQL for client websites.
- Processed data imports (CSV, XML, XPath) and managed hosting.

#### **MyCompany Projects** | Thessaloniki, GR

*Frontend Developer (Contract)* | October 2020 - April 2021

- Developed and customized WordPress CMS websites.
- Managed hosting/domain server
- PHP & Laravel framework

#### **Global Network on Environmental Science and Technology** | Athens, GR

*Backend Developer (Intern)* | October 2020 - April 2021

- Supported development of web apps/sites using Drupal, Composer, and Shell.
